

Adventureland's Helping Hands Foundation

Non-Profit Nights at Adventureland

What

Adventureland's Helping Hands Foundation will award up to 10 local Long Island nonprofits a \$1,000 grant during the 2023 season and give them the opportunity to host their goods drive at the Adventureland on a Monday night in the summer. The Helping Hands Foundation will provide giveaways for up to 200 donors, such as a free pretzel, free arcade card, or free game play, and feature the nonprofit's logo and collection information on the Rt. 110 marquee, in our email blasts, and on our social media pages (both @AdventurelandLI and @HelpingHandsLI).

Who

Any registered 501c3 on Long Island is eligible to apply for this program. Only items/products are permitted to be collected. Cash cannot be collected.

How

Applications are accepted until June 16th—up to 10 organizations will be selected to participate. Should it rain and the park close on your scheduled Monday tabling date, you will be provided with a rain date to host your collection. Adventureland/Adventureland's Helping Hands Foundation will not be responsible for staffing your collection table. Collection date will be determined by Adventureland. A donation does not permit entry to Adventureland. Park entry requires an admission ticket.

Why

Adventureland's Helping Hands Foundation is committed to the Long Island community and it is our goal to help get local nonprofits the exposure and resources they need to continue to serve our neighbors in need. Our financial contribution to the nonprofits that are selected are made to support programs that give essential items and products like toiletries, diapers, food, and school supplies to those who need it and the ability to collect these items at Adventureland centralizes the energies of local families who are looking for ways to support their neighbors but maybe don't know where to start.

Applications are available at [HelpingHandsLI.org](https://www.HelpingHandsLI.org)
